YOUR ALL ACCESS PHOTO PASS

Nikon once again teamed up with *American PHOTO* to 'flip the focus' to present a star's eye view of the world from behind the camera. Ten chart-topping artists captured their worlds with Nikon D60's and explored what photography means to them as musicians. Twenty of their stunning photographs were auctioned off on CharityBuzz.com, where proceeds went to the artist's charities close to their hearts, which are listed below.

Check out their amazing photographs and podcasts that bring their experiences to life at:
